

Effective December 2, 2021

Mandatory new testing requirement for international arriving passengers into Singapore.

Please refer to the information provided in the link below.

The following FAQs are applicable to VTL travellers entering Singapore from 2 December 2021, 2359hrs (Singapore time). Children aged 2 and below in the calendar year (i.e. in the year 2021, those who are born in or after 2019) are not required to undergo post-arrival Day 3 and Day 7 ARTs.
